FROM THE PRINCIPAL'S DESK

Swati Uniyal
Vice Principal

As the Principal of the school, I feel honoured and privileged to be part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents & staff.

Your child's learning involves and revolves around an effective partnership between home & school. We know the stronger the partnership is the more your child will benefit. Whilst we know that the information here will give you answers to some of your questions, we also know that learning is social, and in this context we encourage you to come and speak to us in person for a more detailed perspective.
