FROM THE PRINCIPAL'S DESK

Dr. Meenu Sharma
Principal

I believe that we, as educators are models of Integrity. We are held to a higher standard by our communities, by our students and by our colleagues. My only promise is that I will work hard everyday and allow my actions to tell the story of who I am and of my commitment to the school. I will see success and join in the celebration of those success.

Let us think of education as a means of developing our greatest abilities. Because in each one of us, there is a private hope & dream which fulfilled, can be translated into benefit for everyone and greater strength for our nation.

SENIOR CITIZEN'S DAY

"Grandparents, like heroes as necessary to a child's growth as vitamins"-----

---Joyce Allston

The love & affection we receive from our grandparent are more beautiful than our parent's love. Grandparent are the strongest pillars of our life and provide strength to the family. They make us feel special everytime and we get spoiled by the unconditional love they shower on us. They are the most special friend a grandchild can have.

Grandparent's Day is the time to cherish the bond with our grandmother and grandfather. This day is celebrated every year on 11th September, 2022. In many families, where both the parent do regular jobs, the grandparent take the reins to look after the child's growth. They not only look after the physical well being, but also nurture the mental and spiritual growth of the child. Grandparent's day is a day to thank them and appreciate their presence. It is also a day to enhance inter- generational communication.

To all the grandparents, Thank You for having ears that truly listens, arms that always hug & hold, love that is never ending and a heart that is made up of gold. We are forever grateful.
