## FROM THE PRINCIPAL'S DESK

**SWATI UNIYAL**  
Vice Principal

As the Principal of the school, I feel honoured and privileged to be part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents & staff.

Your child's learning involves and revolves around an effective partnership between home & school. We know the stronger the partnership is the more your child will benefit. Whilst we know that the information here will give you answers to some of your questions, we also know that learning is social, and in this context we encourage you to come and speak to us in person for a more detailed perspective.

### Diwali celebration

Diwali, or Dipawali, is India's biggest and most important holiday of the year. The festival gets its name from the row (avali) of clay lamps (deeps) that Indians light outside their homes to symbolize the inner light that protects from spiritual darkness. Cambridge Senior secondary School, Dehradun, celebrated clean and green Diwali with festive gusto. The day started with a special morning assembly wherein students delivered speeches on the significance of the festival and the relevance of eco-friendly celebrations.
